Grace period for 2016 content deposits

- We are extending the time you have to deposit your 5TB from 2016 through December 2017.
- You can continue to deposit content, but it will not be replicated until DPN 2.0 is fully implemented by the nodes in early January.

2017 Deposits

- Everyone will need to sign another Deposit Agreement for 2017 deposits.
- The agreement can be the same as your 2016 agreement, if desired.
- We will have a new template in the new year incorporating some of the changes we made in 2016.
