Deadlines for depositing content

We are extending the time you have to deposit your 5TB from 2016 through December 2017.

Deposit Agreements - 2017

- Everyone will need to sign another Deposit Agreement for 2017 deposits.
- The new agreement can be the same as the 2016 agreement if desired. Just let Mary know.
- A new Deposit Agreement template is on the DPN website.

Reminder - 2017 pricing:

- Additional TB beyond 5TB will be priced at \$2,750 per TB.
- This equates to \$137.50 per TB per year or \$11.45 per TB per month.

DPN Membership 2017

- Invoices have been sent out.
- Because of our change to be DPN LLC, institutions may require us to be set up as a new vendor.
- We can receive payments via check or ACH deposit.
- If you have any questions, let Mary know.

Current DPN Pilots

Peer-to-Peer

- Members with large data transfer and preservation needs can explore the processes and policies needed to support their activities.

Bag Size

- Raising the bag size above 250GB.
- Creating an easier path to ingest for large objects that cannot be reliably 'chunked' or datasets that may be encrypted or serialized by the depositor.
